1. The UB (Security Police) Municipal and County Commands are located in a large, white plastered, three-story building situated on ul. Czerwonej Armii (main road to Ketrzyn) near ul. Lenina. The building appears to be new and was erected shortly before the war. It is located about 40 m. from the street. Between the building and the street is a garden. During the war the building was occupied by the NSDAP.
